New this year for **Elementary Parent/Teacher Conferences** parents have to schedule them on Skyward Family Access. Parent/Teacher Conferences are set for Thursday, November 7th and 14th from 4:00 - 8:00 p.m. Parents: you need to log into your Family Access Account, click on the + on the left side of the screen to expand to all options and click on the Conferences tab. Once Conferences are opened, you will see your student(s) listed below the entity they are enrolled in, and options to schedule conferences. For the student you want to schedule a conference for, click on the All Conferences. After choosing All Conferences, you will get a list of classes your student is in and will have the ability to click Select A Time under each class that is offering conferences. Click on the Select a Time under a specific class. A list displays showing available time slots for that class. Choose a time slot by clicking on Select in the far-right column. You will get a pop up confirming your choice, if this is correct, click Save. You will now be back on the main screen, and you will see the scheduled conference. If you have questions please contact Mrs. Quade in the office at 715-986-4470 ext. 2014.
